Ocean Atlantic Sotheby's International Realty Welcomes
John Black to their Sales Team

Rehoboth Beach, Delaware, April 7, 2009: Ocean Atlantic Sotheby's International Realty, located at 330 Rehoboth Avenue in downtown Rehoboth Beach, welcomes John Black to their experienced team of real estate agents. John has been selling real estate in the resort communities of Southern Delaware for the past 7 years. Prior to starting his real estate career, he spent 10 years managing a heating and air-conditioning wholesale company in Newark, Delaware. John has always had a passion for real estate and a desire to assist people in making one of the most important financial decisions of their lives. John remembers purchasing his first home when he was 24 years old and he remembers the thrill and excitement that he experienced during this process. Since his first home purchase, he started buying and selling investment properties, some that he renovated and flipped and others that he kept as rentals. Fortunately, John found an Agent whose representation far exceeded his expectations during these endeavors, which is why he chose this agent as his mentor when he became a REALTOR®.

"It is extremely important to choose the right REALTOR® when deciding to sell or purchase real estate," stated John Black. You can always count on me to act in your best interest, and work tirelessly on your behalf. I pride myself on being honest, trustworthy, and knowledgeable in the real estate market. I know how important it is to find a home that best fits your needs or get the best price for your property. Therefore, I will make it my responsibility to help you achieve your goals."

With years of combined experience, Ocean Atlantic's agents have the answers to all of your real estate questions and needs. To learn more about Ocean Atlantic Sotheby's International Realty and to learn more about John Black, call 302-227-6767 or visit www.oasothebysrealty.com.
