**Ocean Atlantic Sotheby's International Realty Welcomes**  
**Mitch Selbiger to their Sales Team**

***Rehoboth Beach, Delaware, April 10, 2009:*** Ocean Atlantic Sotheby's International Realty, located at 330 Rehoboth Avenue in downtown Rehoboth Beach, welcomes Mitch Selbiger to their experienced team of real estate agents. Mitch graduated from the University of Vermont with a B.A. in Business Administration and Marketing and he received a fellowship to George Washington University where he earned his M.B.A.

Mitch's career began with marketing in the computer industry. He saw first hand the dramatic rise of the software industry. Over the past 20 years, Mitch developed successful marketing strategies for such companies as Netscape, Sybase, and Aether Systems. Mitch's years of experience in the marketing field has allowed him to stay on top of this fast paced real estate market. Mitch is both a Realtor® and licensed broker and has the intrinsic ability to get homes noticed.

Aside from real estate, Mitch and his partner own and operate Rehoboth Beach's only health food store, Rainbow Earth Foods. Acutely aware of fitness and health, Mitch relishes the calm of living at the beach. Mitch has lived in northern NJ, Vermont, Michigan, and the Washington, DC metro area before moving to Rehoboth in 2001. He loves to travel, but loves coming home to Rehoboth and its relaxed community and pace of life.

With years of combined experience, Ocean Atlantic's agents have the answers to all of your real estate questions and needs.
