***Ocean Atlantic Sotheby's International Realty Honors Client's
with a Client Appreciation Party***

Rehoboth Beach, Delaware, March 20, 2010: Ocean Atlantic Sotheby's International Realty, a luxury real estate firm with offices at 330 Rehoboth Avenue in downtown Rehoboth Beach and 78 Garfield Parkway in Bethany Beach celebrated the first day of spring with a customer appreciation party on Saturday, March 20th. The setting was surreal after surviving two blizzards just over a month ago. A beautiful sunset, seventy-degree weather, and a luxurious 1-acre waterfront estate in the Rehoboth Beach Yacht and Country Club welcomed almost 200 guests to the Ocean Atlantic Sotheby's International Realty Client Appreciation Party. "This was our way of thanking so many of our loyal customers that have supported Ocean Atlantic Sotheby's International Realty through the years by not only conducting business with us but also referring business our way," stated Justin Healy, Broker / Owner of Sotheby's International Realty. "Referrals are honestly the highest form of flattery in our business and we are thankful for the referral business that we receive."

Aside from the breathtaking setting in this \$5.5mm, 1 acre, bay front, luxury Sotheby's listing, guests enjoyed horse drawn carriage rides, dinner by Bigfish Grill, and the opportunity to mingle with Ocean Atlantic Sotheby's International Realty agents, staff, affiliates and other customers. "The vibe was wonderful and all of the guests seemed to be enjoying themselves," stated Susie Bond, REALTOR® with Ocean Atlantic Sotheby's Rehoboth Sales Team. "Our client's kept thanking us over and over again!"
