Rehoboth Beach, Del. (November 6, 2008): Ocean Atlantic Sotheby's International Realty located in downtown Rehoboth Beach will be participating in the Delaware Does More campaign, a special effort organized by United Way of Delaware and The Food Bank of Delaware to generate 300,000 pounds of food to ensure that Delaware is ready to meet what most agree will be a significant spike in demand for social services this coming winter season.

Each participating organization was able to create and market their own campaign and Ocean Atlantic Sotheby's International Realty will officially kick off their food drive on Friday, November 14th. The office, located at 330 Rehoboth Avenue in Downtown Rehoboth Beach is open Monday – Saturday 9a.m. – 5p.m. and Sunday 11a.m. – 3p.m. For convenience, there will be food barrels for donations located in the lobby of the office. This food drive will run for a two-week period and end on Monday, December 1st. Ocean Atlantic Sotheby's International Realty will be accepting non-perishable, boxed and canned food items, and non-food items such as diapers, toothpaste, mouthwash, bar soap, shampoo / conditioner, liquid hand soaps, and paper products. The agents of Ocean Atlantic Sotheby's International Realty invite all in the community to make this food drive successful and help those that will need help the most, especially during the holiday season.
